

## Advent Offering 2011 – (Children in Chile)

**Dear Parents and Guardians,**

I hope you are well. **Advent** is approaching very quickly. I would like to ask **HSYG** and **MSYG** to do an **Advent Offering** for the children in Chile. Our Sisters went to Chile and do mission work for three months and realized the condition was very poor. They need heat, fix the leaking in the building, and extra computer in the classroom. I thought this would be a wonderful project for **HSYG** & **MSYG** can help: by collecting **Pennies**, quarters, dimes, nickels during **Advent**. I already gave out the containers for the **MSYG** meeting last Sunday. I will give the containers to **HSYG** this Sunday. If your son/daughter is unable to come for HSYG or MSYG, you just use your old container at home for Coins, and send it to me by **December 17, 2011.**

On behalf of the children in Chile, I would like to express my sincere thanks for your kindness and generosity toward the poor.

Forever grateful,

Sister Maria Lan
