

Praised Be Jesus Christ!

On October 16, 2017, the Cathedral Parish of Saint Francis of Assisi received permission from The Most Reverend James F. Checchio to begin the restoration of our pipe organ by Patrick J. Murphy & Associates, Inc. of Stowe, Pennsylvania. A gift from the Diocese of Metuchen together with the remarkable generosity of our parishioners made fundraising practically effortless. Almost one year to the day the restoration is complete and paid in full.

The harmony of more than 100,000 parts has been achieved. However, this is superseded by the graces afforded by our Blessed Lord through the intercession of our Blessed Mother Mary and Saint Francis of Assisi. How appropriate it is for Bishop Checchio to dedicate and bless this beautiful instrument on Thanksgiving Day.

We are affectionately grateful to our parishioners who have made this possible, many in the loving memory or in honor of loved ones who will be permanently remembered in this Cathedral home of the Diocese of Metuchen. We are aware also of many parishioners who contributed their sacrificial gifts simply because of their love for God and humble pride of the history of their predecessors.

As the diocesan Church, the Cathedral of Saint Francis of Assisi will continue to welcome visitors to this house of God making it a prayerful environment and enhancing beautiful liturgies for all who participate. May our Lord be praised, adored, and loved with grateful affection at every moment a heart is lifted to his great glory!

Gratefully in Christ,

Rev. Msgr. Robert J. Zamorski
Rector
